

RESPONDING TO APOLOGIES

That's alright,

No worries,

it's fine,

Don't worry about it,

No problem,

Forget about it,

it happens,

No harm done,

Don't stress,

it's okay,

No big deal,

All good,

Happens to the best of us,

Never mind,

it's nothing,

Water under the bridge,

Don't give it another thought,

No need to apologies,

We're good,

You're forgiven,
